July 2009

Rev. Ed Chavis, Associate Pastor

Happy Independence Day!

Perhaps this Independence Day is a time like no other to thank God for the privilege of living in this great land, and to pray for His hand to sustain us. As we read the daily news, it seems our freedoms are being eroded away at an alarming rate in the name of “economic recovery”.

Psalm 33:12 says, “Blessed is the nation whose God is the Lord.” Pray that our elected officials and citizens alike would have those words emblazoned into their very soul, and that this nation would chart a course back to the God of our founding fathers. At the same time, realize that “the king’s heart is in the Lord’s hand”, and give Him praise for His sovereignty and His goodness!

Sunday School News

A new Adult Bible Fellowship class will be launching on July 5th. This class will be for all those from ages 18 - 30, and will be meeting in the former Lighthouse classroom above the vestibule. The class is for both singles and married couples, and Pastor Stone will be the teacher.

If you are in this age range and currently attend another class, we would like for you to join this new class. Our goal is to grow this group, and eventually begin other new classes.

Fireworks Display

The Lighthouse class will be going to see the fireworks at Fort Gordon on Friday, July 3rd. Anyone else wishing to go is welcome; you can get more information from Ken or Sally Burkett.

Special Speaker

Bro. Al Thompson will be speaking in the evening service on Sunday, July 5th. If you've not had the opportunity to hear him preach yet, be sure and be here on that night.

Birthday Fellowship

Our monthly birthday fellowship will be on Sunday, July 5, following the evening service. Bring your favorite red, white, and blue desserts to share!

Visitors' Information Center

The numbers vary, but studies tell us that the average visitor decides if they will return to a church in less than 10 minutes. We have put a visitors' information video screen in the foyer so that when someone arrives at our church for the very first time, they will know what services we have, where they can find a Sunday School class, and who they can ask for help if they need anything. Phase two of Faith in Action is projected to do an overhaul of our foyer; but until we are ready to do that, we are going to make improvements to make our existing vestibule as welcoming and informative as we possibly can.
